**FINAL APPLICATION FOR FEES AND EXPENSES INCURRED BY COLLECTIVE
INFRASTRUCTURE TECHNOLOGY INC., TELECOMMUNICATIONS
CONSULTANTS TO THE DEBTORS**

Collective Infrastructure Technology, Inc. (“CIT”), telecommunications consultants to Adelphia Communications Corp., et al (Debtors) hereby files this Application for final approval of all fees and expenses that he billed during this case (net of agreed reductions with Fee Committee) and to release all remaining “holdback” dollars.

Specifically, CIT filed a number of Applications for interim compensation and reimbursement of expenses incurred in representing the Debtors. The fees were paid (net of agreed reductions with the Fee Committee) subject to “holdbacks”. In February 12, 2007, CIT received a payment in the sum of \$34,639.00, representing part of the fees that were “heldback” during the period of November 2002 through August 2005. The fees that remain unpaid and that were” held back” amount to \$11,545.87. The purpose of the Application herein is seeking (i) final approval of fees in the amount of \$2,048,897.91 and expenses in the amount of

\$112,356.24; and (ii) approval for the prompt payment of the sum of \$11,545.87, which reflects the remaining unpaid amounts of fees previously held back in these cases.
