**CERTIFICATION PURSUANT TO  
ADMINISTRATIVE ORDER RE: GUIDELINES  
FOR FEES AND DISBURSEMENTS FOR PROFESSIONALS  
IN SOUTHERN DISTRICT OF NEW YORK BANKRUPTCY CASES**

I, Leonard Chazen, certify as follows:

1. I am a member of the firm of Covington & Burling LLP ("Covington"). Covington was retained as special counsel to the Special Committee of Independent Directors (the "Special Committee") of the Board of Directors of Adelphia Communications Corporation (the "Company") by the above-captioned debtors and debtors-in-possession (collectively, the "Debtors").

2. I submit this certification in conjunction with Covington's Final Fee Application for Services Rendered and Reimbursement of Expenses as Special Counsel to Adelphia Communications Corporation, et al. (the "Final Fee Application"), for final allowance of fees and reimbursement of expenses in the cases for the period from June 25, 2002, through February 13, 2007 (the "Final Compensation Period"). The Final Fee Application is being submitted pursuant to this Court's Order Under Local Rule 2016-1 and 11 U.S.C. §§105(a) and 331 Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Professionals and Committee Members, dated August 9, 2001.

3. I am the professional designated by Covington with the responsibility for Covington's compliance in these cases with the Administrative Order, dated April 19, 1995

(the “Amended Guidelines”), in this District regarding guidelines for fees and disbursements for professionals in bankruptcy cases.

4. I have read Covington’s Final Fee Application and, to the best of my knowledge, information and belief formed after reasonable inquiry (except as stated herein or in the Final Fee Application): (i) the fees and disbursements sought in the Final Fee Application fall within the Amended Guidelines and the guidelines promulgated May 30, 1995, by the Office of the United States Trustee (the “UST Guidelines” and together with the Amended Guidelines, the “Guidelines”); and (ii) except to the extent the fees and disbursements are prohibited by the Guidelines, the fees and disbursements sought are billed at or below the rates, and in accordance with practices, customarily employed by Covington and generally accepted by its clients.

5. The Debtors have been provided with Covington’s monthly fee statements, which form the basis for the Final Fee Application and the amounts requested therein, as reduced by Covington in the exercise of billing judgment. Such monthly statements of fees and disbursements have also been provided to the United States Trustee, the Fee Committee, and the Debtors’ Official Creditors’ Committee (the “Committee”).

6. A copy of the Final Fee Application has been provided to the United States Trustee, the Fee Committee, the Committee, and the Debtors contemporaneously with the filing hereof.

7. Attached to each interim fee application for each interim period during the Final Compensation Period is a copy of the daily time records maintained by the attorneys and paraprofessionals of Covington in the ordinary course of business. The time records set forth in reasonable detail the services rendered by Covington in these cases.

8. Attached to each interim fee application for each interim period during the Final Compensation Period is a list of the different matter headings under which time is recorded. The list includes all discrete activities within these cases during the Final Compensation Period that reasonably could have been expected to: (a) continue over a period of at least three months; and (b) constitute a significant portion of the fees to be sought for the interim period.

9. Except as set forth herein or in the Final Fee Application or the interim fee applications, the reimbursement of expenses sought: (a) does not include a charge for profit or amortization of the cost of any investment, equipment or capital outlay; and (b) when the reimbursement sought is for a service which Covington purchased or contracted for from a third party, includes only the amount billed to Covington by the third-party vendor and paid by Covington to such vendor. Covington's secretarial overtime charges are for after-normal-closing-hours services that were necessary for these cases, and are solely for overtime expenses paid. Covington bills charges for overtime word processing separately for Covington clients and, therefore, I understand such charges are not included in Covington's overhead for the purpose of setting billing rates.

10. Covington has sought to keep its fees and expenses at a reasonable level and to utilize professional services and incur expenses as necessary to competently represent the Debtors.

Dated: March 30, 2007
