PRELIMINARY STATEMENT

8. During the Compensation Period, BRBI actively pursued the ultimate goal of confirming and efficiently implementing a consensual plan of reorganization. BRBI's professionals diligently facilitated positive and productive negotiations among the Debtor, the Official Committee of Unsecured Creditors (the "Creditors' Committee"), and other major parties-in-interest and the professionals retained and employed in this case, thereby fostering the plan process.

9. In light of the services provided by BRBI, and the results it achieved for the Equity Committee and other parties-in-interest during the Compensation Period, BRBI respectfully submits that the award of compensation requested is fair and equitable and should be granted.

incurred for expenses and services rendered to its constituency and in preparation and presentation of this final fee application.

JURISDICTION AND VENUE

10. Pursuant to 28 U.S.C. §§157 and 1334, this Court has jurisdiction over this Application. This is a core proceeding pursuant to 28 U.S.C. § 157(b). The venue of this proceeding is proper pursuant to 28 U.S.C. § 1409. The statutory predicates for the relief requested herein are sections 330 and 331 of title 11, United States Code (the "Bankruptcy Code").

BACKGROUND

11. On July 16, 2001, the Debtors filed voluntary petitions in this Court for relief under chapter 11 of the Bankruptcy Code. The Debtors continue to operate their businesses and manage their properties as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

12. On July 24, 2001, the United States Trustee (the "Trustee") appointed an Official Committee of Unsecured Creditors (the "Creditors' Committee") in these cases. On September 5, 2001, the Trustee appointed the Equity Committee.

SUMMARY OF SERVICES RENDERED DURING THE COMPENSATION PERIOD

13. The following summary will highlight certain of the more significant matters addressed by BRBI as counsel to the Equity Committee and give the Court a general understanding of the complexity and abundance of legal work performed as well as the results achieved during the Compensation Period.

14. BRBI's First and Second Fee Applications, dated January 14, 2002 and May 14, 2002, respectively, summarize the significant matters addressed by BRBI attorneys for the period September 5, 2001 through March 31, 2002. The descriptions of those matters are incorporated herein by reference. Accordingly, BRBI will only describe herein those significant events and issues addressed by BRBI attorneys for the period April 1, 2002 through August 12, 2002.

15. On March 15, 2002, Debtors filed their Motion for An Order Pursuant to 11 U.S.C. § 105 and Fed. R. Bankr. P. 9019 Approving the Settlement Between the Debtors and CIT Group, Inc. ("CIT"). In response, the Equity Committee prepared and filed an objection to the proposed settlement based on the grounds that CIT had engaged in bad faith negotiations in refusing to consummate the proposed asset purchase. Further, the Equity Committee conducted discovery of Debtor's senior management and an evidentiary hearing was conducted on said motion on May 8, 2002. Ultimately, the Court approved the Debtors' settlement over the Equity Committee's objection.

16. On April 4, 2002, Debtors sought approval to sell Debtors' Healthcare leasing unit to General Electric Capital Corporation, and to sell other Australian and New Zealand assets. The Equity Committee interposed an objection to the sale of all such assets on the grounds that any such sales were a "creeping plan" of liquidation that ought to be accomplished pursuant to a plan of reorganization. Ultimately, after an evidentiary hearing, the Court overruled the Equity Committee's objection.

17. On April 14, 2002, Debtors' former President and Chief Operating Officer, Michael A. Fazio ("Fazio"), filed his Motion to Compel Debtors to Immediately Pay To Him Certain Amounts Due and Owing to Him By the Debtors Under the Terms of His Post-Petition Employment Agreement with Debtors and Pursuant to This Court's Order dated August 23, 2001. Given Fazio's abrupt and unexplained departure from Comdisco in February, 2002, the Equity Committee filed an objection to the Fazio motion on April 30, 2002 and served discovery on Fazio, the Debtors, and certain officers of the Debtors. Ultimately, however, Fazio never pursued his motion.

18. On April 26, 2002, Debtors filed their Notice with Motion for Order Approving (I) Disclosure Statement; (II) Record Date, Voting Deadline and Procedures for Temporary Allowance of Certain Claims; (III) Procedures for Filing Objections to Plan; (IV) Solicitation Procedures for Confirmation; and (V) A Hearing Date to Consider Confirmation of the Plan.

19. The Equity Committee, after extensive research, investigation and analysis, objected to the proposed Disclosure Statement because, inter alia, it failed adequately to describe certain classes of claimants and, further, it provided releases for non-debtor third parties, namely certain officers and directors of the Debtors.

20. In connection with the Equity Committee objection, BRBI attorneys also undertook an analysis of certain class action claims then pending against the Debtors' officers and directors, as well as insurance coverage for such claims. Counsel further researched and analyzed whether the Equity Committee had standing to assert, either directly or indirectly, claims against the Debtors' officers and directors relating to both pre-petition and post-petition conduct and, further, whether said officers or directors violated any statutory or common law duties in connection with such activities.

21. After a hearing conducted on May 31, 2002, the Court approved Debtors' Disclosure Statement with certain modifications.

22. Immediately following such approval, the Equity Committee served discovery on the Debtors, their officers and directors, and the Debtors' professional advisors in connection with the Plan Confirmation hearing scheduled for July 30 and 31, 2002. This discovery included Notices of Deposition and document requests. Debtors immediately filed a Motion for Protective Order Limiting The Scope of the Equity Committee's Document Requests, and other discovery.

23. At or around that time, BRBI attorneys had extensive discussions with the Debtors and the Creditors' Committee regarding a consensual plan of reorganization.

24. In connection with said discussions, BRBI attorneys investigated and/or researched numerous issues including, but not limited to, Debtors' SIP claimants, the tradability of any warrant or other right issued to equity holders pursuant to a consensual plan of reorganization; plan valuation; the extent and scope of third party releases; death trap voting issues; the proposed employee retention program; the tax effect on equity holders; and the extent and nature of claims against certain third parties including the Debtors' officers and directors that would be released as part of any consensual plan.

25. After multiple, lengthy conferences, the Equity Committee, the Debtors and the Creditors' Committee announced in early July, 2002, an agreement in principle regarding a consensual plan of reorganization.

26. Following this announcement, BRBI attorneys continued to work with the Debtors and Creditors' Committee to effectuate the proposed consensual plan. This included, but was not limited to, structuring the warrant or other right that was to be issued to the Debtors' equity holders pursuant to the plan; addressing tax issues in connection with the issuance of any such warrant or other right; extensive discussion with the SEC; preparing letters, ballots and other solicitation materials that were to be sent to parties in interest; and responding to multiple shareholder inquires.

27. After a hearing on July 30, and 31, 2002, the Court approved the plan of reorganization.

APPLICATION

28. On July 16, 2001, this Court entered an Administrative Order, which describes the procedures through which specified professionals, including BRBI, may apply for compensation. This Application is submitted in accordance with the Administrative Order.

29. On January 24, 2002, the Court adopted the Debtors' suggestion regarding the appointment of a Fee Review Committee in these cases to regulate and maintain professional fees incurred in these Chapter 11 cases.

30. This is BRBI's final application for approval and allowance of compensation and reimbursement of expenses. Pursuant to its First Application, BRBI was awarded \$607,698.50 in fees and \$87,845.23 in expenses. An order approving BRBI's Second Application has not yet been entered.

31. By this Application, BRBI also seeks (a) \$683,060.50 for the reasonable value of actual and necessary legal services rendered during the Third Period, and (b) \$71,260.12 for reimbursement of actual and necessary expenses incurred in connection with rendering such services.

32. Attached hereto as Exhibit A is a detailed statement of BRBI's time records for the Third Period.

33. Attached hereto as Exhibit B is BRBI's billing summary for the Third Period which provides the name of each employee, each attorney's year of bar admission, the aggregate amount of hours billed, and the current billing rate of each professional. BRBI employees spent a total of 1,759.9 hours in performing services for the Equity Committee during the Third Period for the blended hourly rate of \$374.00. The compensation sought by BRBI reflects the customary rates charged by BRBI to other clients.

34. During the Third Period, BRBI attorneys expended time in the following categories:

Project Category	Total Hours	Total Fees
Case Administration	376.2	\$104,337.50
Asset Disposition f/k/a Asset Sale	46.4	18,328.00

Plan of Reorganization	1,031.4	406,081.00

- (viii) Attended to all administrative matters in these cases.
- (b.) Asset Disposition (f/k/a Asset Sales). BRBI seeks \$18,328.00 for

professional services rendered during the Third Period related to Asset Disposition. This category includes all tasks related to sale of the Debtors' assets. Specifically, during the Third Period, BRBI attorneys' activities included, but were not limited to, the following:

- (i) Researched and analyzed bankruptcy law in connection with the Equity Committee's objection to the sale of the various Leasing business units;
- (ii) Researched legal standard of valuation in context of sale of various leasing units; and
- (iii) Prepared response to HP's reply to the Equity Committee's motion to preclude HP's termination fee.
- (c.) Plan of Reorganization. BRBI seeks \$406,081.00 for professional

services rendered during the Third Period related to Plan of Reorganization. Time spent in this category includes all tasks relating to the Debtors' proposed plan of reorganization. Specifically, during the Third Period, BRBI's attorneys' activities included, but were not limited to, the following:

- (i) Researched and analyzed various corporate governance issues;
- (ii) Researched and analyzed valuation issues;
- (iii) Reviewed and analyzed the Debtors' ventures and European businesses to better understand the determination to wind-down those operations;
- (iv) Researched and analyzed potential litigation claims against officers and directors in connection with the winding down of certain of the Debtors' operations;
- (v) Analyzed plan classification issues;
- (vi) Participated in meeting with the Debtors and their advisors regarding the ventures business; and

(vii) Participated in numerous plan negotiation conferences.

(d.) BRBI seeks \$9,235.50 for professional services rendered during the Third Period related to Asset Analysis and Recovery. For example, during the Third Period, BRBI attorneys' activities included, but were not limited to, the following:

(i) Analyzed the rights of shareholders to make direct claims under Comdisco's policies of directors and officers liability insurance; and

(ii) Analyzed the prior reported decisions as to the rights of shareholders to foresee directly when the insured company itself was concurrently making its own claims, the competing rights of shareholders and creditors, and the right of the Equity Committee to make such direct claims on behalf of shareholders in an insolvency proceeding.

(e.) Shareholder Inquiries. BRBI seeks \$8,008.50 for professional services rendered during the Third Period related to Shareholder Inquiries. Time spent in this category includes all communications with shareholders regarding the status of the Debtors' cases.

(f.) Committee Meetings. BRBI seeks payment of \$15,765.00 for professional services performed during the Third Period in connection with Committee Meetings. Time spent in this category includes all preparation for and communications with the Equity Committee.

(g.) Litigation/Relief from Stay. BRBI seeks payment of \$93,203.00 for professional services performed during the Third Period in connection with Litigation/Relief from Stay. Time spent in this category includes tasks relating to the representation of the Equity Committee concerning other litigation or contested matters in these cases. Specifically, during the Third Period, BRBI's attorneys' activities included, but were not limited to, the following:

(i) Prepared and filed objections to the proposed settlement with CIT;

(ii) Worked on class action analysis; and

(iii) Prepared the Equity Committee's objection to Citibank's motion regarding assignability of debts.

(h.) Claims Administration. BRBI seeks payment of \$2,465.00 for professional services performed during the Third Period in connection with Claims Administration. Time spent in this category includes tasks relating to claims administration.

35. BRBI anticipates generating additional fees and incurring and/or recording additional expenses in the estimated amount of \$25,000.00. At or before the September 24, 2002 hearing, BRBI will advise the Court and necessary parties of its exact billing and will provide additional documentation of the actual amount of these presently unrecorded fees and expenses.

36. BRBI submits that the professional services rendered to the Equity Committee for which it seeks final compensation have been necessary and appropriate to its representation of the Equity Committee and have not been duplicative of the services performed by any other counsel in this case.

37. Time devoted, however, is only one of the many pertinent factors in assessing an award of compensation. The number of hours expended must be considered in light of: (a) the amounts involved and the results achieved, (b) the novelty and difficulty of the questions presented, (c) the skill required to properly perform the legal services, (d) the preclusion of other employment, (e) the customary fee to a private client for the services rendered, (f) awards in similar cases, (g) time constraints required by the exigencies of the case, including the frequency and amount of time required to be devoted other than during regular business hours, (h) the experience, reputation and ability of the attorneys rendering services, and (i) the nature and length of the professional relationship with the client. BRBI believes that application of the foregoing criteria more than justifies the compensation requested.

38. BRBI submits that its services were necessary, benefited the Equity Committee, the Debtor's shareholders and the Debtor's estate and have furthered the Debtor's rehabilitative goals. BRBI is seeking its customary time charges without any bonus or multiplier. The fees requested are calculated on an hourly basis and are no more than BRBI would charge a private client seeking identical services.

39. BRBI has extensive experience in bankruptcy matters and was well qualified to represent the Equity Committee in this case. For example, BRBI has represented official creditors' or equity committees in the following significant Chapter 11 cases:

A.H. Robins Company, Incorporated (E.D. Va.)
Allis-Chalmers Corporation (S.D.N.Y.)
Anglo Energy Limited (S.D.N.Y.)
Budget Group, Inc. (D. Del.)
Continental Airlines, Inc. (S.D. Tex.)
David Schick and Venture Mortgage Corp. (S.D.N.Y.)
Days Inns of America, Inc. (D. Del.)
FRD Acquisition Co. (D. Del.)
Global Crossing Ltd. (S.D.N.Y.)
Gordon Jewelry Corporation (Zale Corporation) (N.D. Tex.)
Harnischfeger Industries, Inc. (D. Del.)
Insilco Corporation (W.D. Tex.)
Integrated Resources, Inc. (S.D.N.Y.)
Mercury Finance Company (N.D. Ill.)
R.H. Macy & Co., Inc. (S.D.N.Y.)
Randall's Island Family Golf Centers, Inc. (S.D.N.Y.)
Texscan Corporation (D. Ariz.)
Thermadyne Holdings Corp. (E.D. Mo.)
Todd Shipyards Corporation (D.N.J.)
Tracor Holdings, Inc. (W.D. Tex.)
Trump Taj Mahal Associates (D.N.J.)

40. In addition, BRBI's bankruptcy and reorganization group also has an extensive practice in the area of in and out-of-court restructurings and has represented unofficial committees or individual creditors or equity security holders in connection with restructurings, exchange offers and/or solicitations of consents involving a number of major corporations, including the following: Arizona Charlie's, Inc., Granite Partners, L.P., Greate Bay Hotel & Casino (The Sands), Harrah's Jazz, Marvel Entertainment Group, Inc., MobileMedia Communications, Inc., Stratosphere Corporation, Trans World Airlines, Inc., Viskase Companies, Inc. and XO Communications, Inc. BRBI has also represented numerous debtors, including The Washington Corporation, Keene Corporation, Triangle Wire & Cable, Inc., and Equitable Bag Co., Inc. in both in-court and out-of-court restructurings.

41. Despite the multitude of complex issues presented in this case, BRBI, with the active assistance of the Equity Committee's financial advisors, successfully negotiated and represented its constituency throughout the Plan process.

42. BRBI submits that its fees are eminently reasonable under all of the criteria typically examined in reorganization cases. Based upon the factors to be considered in

accordance with Sections 330 and 331 of the Bankruptcy Code, the work that has been performed to date more than substantiates the charges requested by BRBI.

43. BRBI respectfully requests that it be allowed final compensation in the amount of \$607,698.50 for the First Period, \$510,755.50 for the Second Period, and the estimated amount of \$683,060.50 for the Third Period, for a total fee award of \$1,801,514.50. BRBI submits that this compensation is reasonable given both the size and complexity of this case and the amount of time BRBI was required to incur in order to effectively represent the interests of the Equity Committee in this proceeding. Attached hereto as Exhibit C is BRBI's billing summary for the Compensation Period which provides the name of each professional, each attorney's year of bar admission, the aggregate amount of hours billed, and the current billing rate of each professional. BRBI professionals spent a total of 5,195.6 hours in performing services for the Equity Committee during the Compensation Period for the blended hourly rate of \$342.00. The compensation sought by BRBI reflects the customary rates charged by BRBI to other clients.

**THE REQUESTED REIMBURSEMENT
OF OUT-OF-POCKET EXPENSES**

44. BRBI has disbursed the amounts set forth in Exhibit D annexed hereto in the aggregate amount of \$71,260.12 during the Third Period. Also attached hereto as Exhibit E is a summary of the amounts disbursed by BRBI during the Compensation Period. Estimated, non-recorded expenses will be more fully detailed at or before the September 24, 2002 hearing. BRBI submits that such expenses were necessary and reasonable in scope and amount. BRBI's regular practice is to charge its clients for these out-of-pocket disbursements.

45. BRBI's usual client charge for photocopies is twenty five cents per page for in-house photocopying, which it believes approximates its per page copying cost. Outgoing facsimile transmissions are billed at \$1.25 per page. Moreover, although some of BRBI's professionals travel first class, BRBI is charging, or will only charge, these estates the coach fare for these travels.

46. BRBI made every effort to minimize expenses in the Debtors' cases. The expenses incurred in rendering professional services were necessary and reasonable to serve the needs of the Debtors, their estates, and their equity holders.

CERTIFICATION OF BRBI

47. Pursuant to Rule 2016(a) of the Federal Rules of Bankruptcy Procedure, attached to this Application are (a) Exhibit A setting forth detailed statement of BRBI's time records for the Third Period, (b) Exhibit B setting forth BRBI's billing summary for the Third Period, which provides the name of each professional, each attorney's year of bar admission, the aggregate amount of hours billed, and the current billing rate of each professional, (c) Exhibit D setting forth detailed expenses for the Third Period, (d) Exhibit C setting forth BRBI's billing summary for the Compensation Period, which provides the name of each professional, each attorney's year of bar admission the aggregate amount of hours billed, and the current rate of each professional, (e) Exhibit E setting forth detailed expenses for the Compensation Period and (f) Exhibit F is a chart setting forth all payments sought or received by BRBI in any capacity whatsoever in connection with the Debtors' cases. Such amounts are to be paid from the Debtors' estates pursuant to section 1103 of the Bankruptcy Code and the Court's order authorizing the retention of BRBI. None of the compensation sought or received by BRBI has been shared with any other entity – nor does any BRBI attorney have any agreement for the sharing of the compensation sought – other than agreements to share compensation as a member or regular associate of BRBI.
