**FINAL FEE APPLICATION OF THE  
CHAIRMAN AND PROFESSIONAL STAFF  
OF THE ENRON FEE COMMITTEE**

TO THE HONORABLE ARTHUR J. GONZALEZ, UNITED STATES BANKRUPTCY JUDGE:

1. This is the Final Fee Application of the Chairman and Professional Staff of the Enron Fee Committee. The Chairman and Professional Staff of the Fee Committee request final compensation as follows:

<b>APPLICANT</b>	<b>FEES</b>	<b>EXPENSES</b>	<b>TOTAL</b>
Joseph Patchan, Chairman	\$648,632.75	\$72,185.57	\$720,818.32
Si Hopkins, Chief Applications Analyst	\$1,332,575.50	\$67,175.86	\$1,399,751.36
Howard Klein, Accounting and Financial Applications Analyst	\$677,965.00	\$24,412.10	\$702,377.10
David Hathaway, Assistant Applications Analyst	\$836,493.00	\$3,441.62	\$839,934.62
Mary Jansing, Assistant Applications Analyst	\$1,098,258.00	\$28,866.55	\$1,127,124.55

APPLICANT	FEES	EXPENSES	TOTAL
Jan Ostrovsky, Assistant Applications Analyst	\$885,402.00	\$12,024.65	\$897,426.65

2. The requests are joined in a single Application to eliminate duplication; but the Chairman and each Member of the Professional Staff are to be treated as separate applicants.

3. The amounts requested are the totals of interim compensation previously requested.

4. The Fee Committee is still in the process of reviewing Fee Applications filed by Billing Professionals in this Chapter 11 Case. A narrative written at this time would add little or nothing to the narratives in the First through Seventh Fee Applications of the Chairman and Professional Staff. We will request leave to amend this Application shortly before the Final Fee Hearing when the full scope of our work is known and can be described. We anticipate filing a Supplemental Fee Application somewhat in the nature of a compilation of statistics on the work we will have done through the end of the case together with a discussion of the factors relevant to the determination of final compensation. It would be premature to attempt such a discussion now.

Respectfully submitted,

THE CHAIRMAN AND PROFESSIONAL STAFF  
OF THE ENRON FEE COMMITTEE

Jerry Patchan

**CERTIFICATION PURSUANT TO SECTION B OF GENERAL ORDER M-151**

I, John Silas Hopkins, III, hereby certify as follows:

1. I was designated by the Chairman and Professional Staff of the Fee Committee with the responsibility for compliance with General Order M-151.

2. I have read the foregoing Application.

3. To the best of my knowledge, information, and belief formed after reasonable inquiry, the fees and disbursements requested in the foregoing Application fall within General Order M-151 and the United States Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 (Appendix A to 28 C.F.R. § 58).

4. The fees and disbursements requested in the foregoing Application are billed at or below rates, and in accordance with practices, that are customarily employed by the Applicants and generally accepted by the Applicants' clients. The billing rates of Mr. Patchan, Mr. Hopkins, and Mr. Hathaway are lower than the rates that they would charge if they were still partners of Baker & Hostetler.

5. In providing reimbursable services the Applicants do not make a profit on those services, whether they are performed by the Applicants in house or through third parties.

6. The Debtors, counsel for the official committees, and the Chairman of the Fee Committee have all been provided copies of the Monthly Statements of the Applicants at the times that those Monthly Statements were filed with the Court. The Monthly Statements contain the name of the professional providing the services, that professional's hourly billing rate, the aggregate hours spent by that professional, a general description of the services rendered, detailed time descriptions, and detailed breakdowns of disbursements.

7. The Chairman of the Fee Committee reviewed the foregoing Application before it was filed. The foregoing Application is being served on the Debtors and counsel for the official committees at the time of its filing with the Court.
