* These figures include all reductions as a result of reviews by the Fee Committee conducted in the second, third, and fourth fee application periods.

** Note that this exhibit does not include certain professionals. A separate order will be submitted to the Court including those professionals.

(i) These figures do not include potential compensation/reduction of \$112,192.50 that relates to a pre-petition/pre-retention issue that Brown Rudnick Berfack Israels LLP has agreed to adjourn to a further hearing.

(ii) There are outstanding fees owed to the local counsels of these professionals for services rendered with respect to the issuance of the new senior secured notes pursuant to the Debtors' plan of reorganization.

(iii) As these counsels were not retained professionals of the case the related fees and outstanding payments are not included herein.

(iv) These professionals were not required to file a fee application.

(ix) Note that all bills have yet to be received from such professional and reconciled. Bill reconciliation is required prior to final payment by the Debtors.
