**APPLICATION OF ROBINSON LERER & MONTGOMERY, LLC
FOR FINAL ALLOWANCE OF COMPENSATION
FOR PROFESSIONAL SERVICES RENDERED AND FOR
REIMBURSEMENT OF ACTUAL AND NECESSARY EXPENSES**

Robinson Lerer & Montgomery, LLC, (“RLM”), corporate communications consultants for Sunbeam Corporation (“Sunbeam” or the “Debtor”) n/k/a American Household, Inc. (“AHI”), as debtor in this chapter 11 case (the “Debtor”), for this final application (the “Final Application”), pursuant to sections 330 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), for the final allowance of compensation for professional services performed by RLM for the period commencing February 6, 2001 through December 18, 2002 (the “Final Compensation Period”), and for reimbursement of its actual and necessary expenses incurred during the Final Compensation Period, respectfully represents:

BACKGROUND

1. On February 6, 2001 (the “Commencement Date”), Sunbeam Corporation and substantially all of its direct and indirect domestic operating subsidiaries (the “Subsidiaries”) commenced cases under chapter 11 of the Bankruptcy Code. The chapter

11 cases of the Subsidiaries are being administered separately from the chapter 11 case of AHI.

2. Pursuant to an order of the Court dated February 6, 2001 (the “Interim Retention Order”), the Debtor was authorized to retain RLM to provide corporate and crisis communications services to the debtor.

3. On April 23, 2001, the Debtor filed its Statement of Financial Affairs, Schedule of Assets and Liabilities and Schedule of Executory Contracts and Unexpired Leases (collectively, the “Schedules”). Supplemental Schedules were filed on July 6, 2001, June 3, 2002, October 28, 2002, and November 14, 2002, respectively.

4. By order dated November 27, 2002 (the “Confirmation Order”), this Court confirmed the Debtor’s Third Amended Plan of Reorganization Under Chapter 11 of the Bankruptcy Code, dated November 25, 2002 (the “Plan”). The conditions to effectiveness of the Plan were either waived or satisfied and the Plan was substantially consummated in accordance with its terms on December 18, 2002 (the “Effective Date”). On the Effective Date, the appointment of the statutory creditors’ committee (the “Creditors’ Committee”) terminated.

**SUMMARY OF PROFESSIONAL COMENSATION
AND REIMBURSEMENT OF EXPENSES REQUESTED**

5. Based on the balance of this application, RLM is requesting a final award of \$210,152.95.

6. This Final Application has been prepared in accordance with the Amended Guidelines for Fees and Disbursements for Professionals in Southern District of New York Bankruptcy Cases adopted by the Court on April 19, 1995 (the “Local Guidelines”), the United States Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses filed under 11 USC § 330 adopted on January 30, 1996 (the “UST Guidelines”), and the Amended Order Pursuant to Sections 105 (a) and 331 of the

Bankruptcy Code Establishing Procedures for Monthly Compensation and Reimbursement of Expenses of Professionals (the “Administrative Order” and, collectively with the Local Guidelines and UST Guidelines, the “Guidelines”), and this Court’s order, dated November 27, 2002, confirming the Plan. Pursuant to the Local Guidelines, a certification regarding compliance with the same is attached hereto as Exhibit “A.”

7. RLM seeks allowance of compensation for professional services rendered to the Debtor during the Final Compensation Period, in the aggregate amount of \$195,916.25, and for reimbursement of expenses incurred in connection with the rendition of such services in the aggregate amount of \$14,236.70. During the Final Compensation Period, RLM professionals expended a total of 833.50 hours for which compensation is requested.

8. Since the commencement of these cases, pursuant to the Administrative Order, RLM provides the Debtor with a monthly fee statement following the month for which compensation is sought. During the Final Compensation Period, RLM has provided the Debtors with six fee statements for each of the months between February 6, 2001 and December 18, 2002, for those months that fees exceeded \$20,000. With respect to such fee statements for the Final Compensation Period, RLM received payments totaling \$180,733.00 for fees and \$14,236.70 for disbursements. RLM respectfully requests that the Court, in addition to awarding RLM the fees and expenses requested for the Final Compensation period, allow payment of all amounts previously held back during the chapter 11 case in the amount of \$15,183.25.

9. The fees charged by RLM in these cases are billed in accordance with its existing billing rates and procedures in effect during the Final Compensation Period. The rates RLM charges for the services rendered by its professionals in these chapter 11 cases are the same rates RLM charges for professional services rendered in comparable nonbankruptcy related matters. Such fees are reasonable based on the customary

compensation charged by comparably skilled practitioners in comparable nonbankruptcy cases in competitive national legal market.

10. Pursuant to the UST Guidelines, annexed hereto as Exhibit “B” is a schedule setting forth all RLM professionals who have performed services in these chapter 11 cases during the Final Compensation Period, the level of each such individual, the hourly billing rate charged by RLM for services performed by such individual, the aggregate number of hours expended in this matter and fees billed therefore. The information is presented for each month that compensation is sought, and in total for the Final Compensation Period. All time entries are categorized as corporate communications.

11. Annexed hereto as Exhibit “C” is a summary of the significant professional services rendered by RLM during the Final Compensation Period. The information is presented for each month that compensation is sought.

12. The professional services performed by RLM were necessary and appropriate to the administration of the Debtor’s chapter 11 cases. The professional services performed by RLM were in the best interest of the Debtor and other parties in interest. Compensation for the foregoing services as requested is commensurate with the complexity, importance and nature of the problems, issues or tasks involved. The professional services were performed with expedition and in an efficient manner.

13. Annexed hereto as Exhibit “D” is a schedule specifying the categories of expenses for which RLM is seeking reimbursement and the total amount for each such expense category. The information is presented for each month that compensation is sought, and in total for the Final Compensation Period.

14. The actual expenses incurred in providing professional services were necessary, reasonable, and justified under the circumstances to serve the needs of the Debtors.

THE REQUESTED COMPENSATION SHOULD BE ALLOWED

15. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates standards of section 330 to govern the Court's award of such compensation. 11 U.S.C. § 331. Section 330 provides that a court may award a professional employed under section 327 of the Bankruptcy Code "reasonable compensation for actual necessary services rendered...and reimbursement for actual, necessary expenses." 11 U.S.C. § 330 (a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded, the court should consider the nature, extent, and value of such services, taking into account all relevant factors, including --

- (A) the time spent on such services;
- (B) the rates charged for such services;
- (C) whether the services were necessary to the administration of, or beneficial at the time service was rendered toward the completion of, a case under this title;
- (D) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and
- (E) whether the compensation is reasonable based on the customary compensation charged by comparable skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3)

16. In the instant case, RLM respectfully submits that the services for which it seeks compensation in this Final Application were, at the time rendered, believed to be necessary for and beneficial to the Debtor's rehabilitation and reorganization effort. Such services and expenditures were necessary and in the best interests of the Debtors' estate. RLM further submits that the compensation requested herein is reasonable in light of the

nature, extent, and value of such services to the Debtors, their estates, and all parties in interest.

17. In sum, the services rendered by RLM were necessary and beneficial to the Debtors' estates, and were consistently performed in a timely manner commensurate with the complexity, importance, and nature of the issues involved, and approval of the compensation sought herein is warranted.

18. There is no agreement or understanding between RLM and any other person, other than members of the firm, for the sharing of compensation to be received for services rendered in these cases.

MEMORANDUM OF LAW

19. RLM submits that the relevant legal authorities are set forth herein and that the requirement pursuant to Local Bankruptcy Rule 9013-1 that RLM file a memorandum of law in support of this Final Application is satisfied.

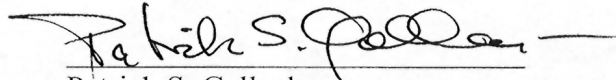

NOTICE

20. Notice of this Final Application has been provided to (a) Weil, Gotshal & Manges LLP, Attorneys for the Debtor, (b) the Office of the United States Trustee, (c) Simpson Thacher & Bartlett, Attorneys for the Banks, (d) Kasowitz Benson Torres & Friedman LLP, Attorneys for the Committee, and (e) American Household, Inc (formerly known as Sunbeam Corporation), the debtor. RLM submits that no other or further notice need be provided.

CONCLUSION

WHEREFORE RLM respectfully requests (i) final allowance of compensation for professional services rendered during the Final Compensation Period in the amount of \$195,916.25 and reimbursement for actual and necessary expenses RLM incurred during the Final Compensation Period in the amount of \$14,236.70; and (ii) the Court grant RLM such other and further relief as is just.
